ANY QUESTIONS REGARDING MATERIAL SUPPLY, PLEASE EMAIL production@hdinews.com.au

[material supply]

Materials may be submitted to production@hdinews.com.au

[software]

The following software programs are supported: Adobe InDesign, Photoshop & Illustrator. Please ensure all images are included & fonts embedded or outlined. **All other applications (Quark, Publisher, Word, Excel etc) are NOT accepted.**

[fonts]

Supply all printer and screen fonts, including fonts embedded in art files. Pseudo-type commands should not be used (i.e. if italics are desired, then the italic version of the font should be used, not the italic style).

[images & file formats]

Where possible, please supply all images at 300dpi at 100%. Please save all images as CMYK in either JPEG, TIFF, PDF or EPS format. High resolution PDF files are preferred.

Ink weight should not exceed 230% for newsprint and 300% for gloss.

It is the responsibility of the client to supply artwork as per specifications.
